

Zoo Zurich is calling! Center of Nature Conservation. Habitat for 6'000 animals. Host. And employers on an equal footing. And maybe yours too?

We are looking for additional staff in the department of Species Conservation & Animals as

## **ANIMAL KEEPER EXOTARIUM (full-time)**

### **What you will do:**

At Zoo Zurich, a team of 60 keepers looks after around 350 different animal species. As part of this team, you will mainly look after fish, amphibians, and reptiles in the exotarium. In this varied field of work, you will ensure the care and accommodation of our animals appropriate to their species. In addition to preparing feed and maintaining the facilities, this also includes looking after the technical equipment and working on the conservation breeding of endangered animal species. You will also be there to answer any questions our guests may have about our animals or zoo operations.

### **What you bring with you:**

- Completed training as an animal keeper or degree in zoology, biology, etc.
- Experience in keeping amphibians, reptiles, and fish
- Proven expertise in breeding at least one of the three animal groups
- Interest in ex-situ breeding of various endangered species
- Physically and mentally resilient in 365-day-a-year operation
- Ability to work independently
- Enjoy working as part of a team
- Diving license required

### **You will receive:**

The 2050 development plan will bring exciting and challenging changes to Zoo Zurich over the coming years. We are strengthening our efforts in nature and species conservation, optimizing the welfare of our animals, and offering our guests new, unique nature experiences. You will have the unique opportunity to play an active role in the realization of the planned major projects at Zoo Zurich and to support us with your know-how and passion on the way to the "Zoo of the Future".

The staff in the Species Conservation & Animals department are looking forward to welcoming new colleagues!

Is it you we are looking for? And are you looking for us? Then we look forward to receiving your application.
